

Ladyvale BAKERY

NOW OPEN !

Hello again Nansledan! Can you believe it – Ladyvale Bakery has been open a whole two months! The café has been buzzing all summer – it's been wonderful to have so many old and new friends drop in. Mind you, it's not been too hard to tempt people when we've got Persian love cake, chocolate cake, lemon meringue tarts, cream teas and cupcakes – just to name a few! – on the counter! We have gluten free and vegan specials as well, so don't worry, there's something for everyone!

An important thing to remember: we don't provide takeaway cups or sell drinks in bottle or cans. Instead, we're making locally-roasted coffee and creating home-made soft drinks, which can either be enjoyed in the café or taken away in reusable cups. You can either bring your own, or pick up one of ours in the bakery! They're recyclable as well, so you can rest assured you're doing your bit for the Earth.

Cafés like ours often produce a lot of single-use waste – so we're trying to create as little waste as possible. At the moment we have to provide cake boxes for take-outs (we highly encourage you to bring your own containers, obviously!), but we've found a re-usable solution, so keep a look out!

We're so excited to be growing our family business in Nansledan. We're passionate about our community, taking on locally trained people and sourcing local products as much as possible. Our reusable cups are manufactured by Cornish product design company ashortwalk; our coffee is from Yallah, a sustainably sourced single origin roasters based near Falmouth; our aprons have been embroidered by St Mawgan Embroidery Company and, the flowers that decorate my cakes are often from my own kitchen garden – so they change with the season! just our little ways of being better for our local community and the planet at the same time all round.

The Cake Club!

Did you know that we have a membership club? It costs just £12 when you sign up in the bakery, which will make you the proud owner of either a Ladyvale re-usable coffee-cup or cake box (it's £5 if you don't need either!) and your very own membership card for delicious cake deals, and the recipient of exclusive, irresistible offers through the email newsletter!

Looking forward to seeing you in the Bakery soon!
